

Overview

At The Lakes Distillery we believe in taking the lead and following our instinct. Everything that we do at The Lakes is focused on the achievement of our vision – to create a global Single Malt Whisky brand.

The last couple of years has seen our business completely transform with new branding, new gins and whiskies brought to market and the launch of our first ever Single Malt, The Whisky maker's Reserve No.1, which sold out within 4 weeks of launch.

We are focused on attracting people who share our beliefs and brand values. They need to be highly motivated and passionate about the role they play in what is a truly team effort.

Title: Grounds Maintenance Worker

Reporting to Site Maintenance Manager

Location: Bassenthwaite Lake, Cumbria, CA13 9SJ

The Role

We currently have a vacancy for a Grounds Maintenance Worker to join our Maintenance Team. This is a great opportunity for a hard-working individual to join our Award-Winning Distillery.

As a Grounds Maintenance Worker, you will be responsible for:

- Undertaking grounds maintenance, horticultural and related tasks within the site
- Grass cutting/leaf blowing/shrub pruning/ removal of weeds and litter.
- Preventative maintenance checks of machinery.
- Wood cutting and stacking.
- Housekeeping of the recycle area.
- Other duties you may be asked to perform. e.g., winter duties to help clear snow and ice to ensure the area is safe.

Key Competencies

The Successful candidate for this role will have:

- Previous experience in a similar role
- Excellent communication skills to engage with the customer and team members where appropriate.
- The ability to demonstrate great teamwork.
- The ability to follow instructions.
- The ability to work independently.
