

At The Lakes Distillery we believe in taking the lead and following our instinct. We have been distilling for only 6 years, but this ethos has already resulted in us being voted number 1 of 8 distilleries to visit in the world before you die (World Whisky Day), to win the best distillery visitor attraction for the last three years running (Spirits Business) and recently to be voted as one of three brands to watch in World Whisky for 2019, alongside Hibiki from Japan and Starward from Australia (Spirits Business).

Everything that we do at The Lakes is focused on the achievement of our vision – to create a global Luxury Single Malt Whisky brand.

We are focused on attracting people who share our beliefs and brand values. They are highly motivated at the prospect of joining an ambitious business, with an entrepreneurial approach, who believe in taking the lead, being courageous, seeking out opportunities and are passionate about the role they play in what is truly a team effort.
